

A Season for Sharing and Caring

Adopt A Family Campaign and Holiday Food Drive

Dear Friends,

During the holiday season, Community Action Partnership of Orange County works with volunteers, student groups, service clubs, and local businesses to help needy families during the holiday season. Some companies choose not to have a Employee Holiday Party and decide to look for ways to give back to the community. There are many ways you can make a difference.

Here's how:

- * Partner with our Family Resource Centers and spread holiday cheer to the community and children with food, music, and lights
- * Cook Thanksgiving dinner for those in need
- * Conduct toy or food drives at your company and donate them to families who participate in our Family Resource Centers
- * Donate gift cards and food gift cards to our Orange County Food Bank
- * Donate turkeys, ham, can goods, and other food items to be distributed in our Thanksgiving and Christmas Family Food Bags
- * Donate clothing, diapers, toys, and churches, groups or businesses to Adopt-A-Family. Our Community Partners Program help families who suffered abuse or domestic violence or who are transitioning off welfare to begin new lives and become self-sufficient.

The number of persons who are poor and at-risk of hunger continue to grow. While many low-income families work, they do not have sufficient resources to meet basic needs due to low wages and high housing costs. We are asking you to help break the cycle of despair and bring hope into the lives of thousands of children and their families. Please help us to put a smile our kids faces and make our families wishes come true.

If you or your organization would like to make a contribution or donation and make a family's holiday a bit brighter, please call:
