

Hope for the Holidays

Adopt-a-Family

A Program of Community Action Partnership of Orange County

Thank you for sponsoring a family through the Adopt-A-Family program this holiday season. Your contact person is:

Natalie Anderson

(714) 907-1505 • nanderson@capoc.org

Giving comes in all sizes. It is our experience that gifts, clothing, and a holiday meal for the family costs an average of \$100 per family member. The simple instructions below will help you get started.

Once you are signed up with a specific family, you will have access to their family profile and a suggested food and gift list is located on the following page. Based on the family profile, you can either:

- Purchase items listed on your specific Adopt-A-Family profile. You will receive each family members' age, clothes/shoe sizes, and their holiday wish. Provide a clothing item and gift for each member of the family. In addition, provide a food basket or grocery gift card for the holiday dinner (suggested items are listed on the following page). If you would like to provide additional gifts outside of what is listed on the family profile, please check out the suggested gift items listed on the following page. Gifts can be wrapped as long as they are clearly and securely marked.
- Buy the family gift cards (Target, Walmart, etc.) and a grocery gift card (Food 4 Less, Northgate Market, Albertsons, etc.). Gift cards should also be clearly marked and packaged together for each family.

THANK YOU AND HAPPY HOLIDAYS!

Please note, all families included in our Adopt-A-Family program are screen by Community Action Partnership of Orange County staff and their needs have been verified.
