

SUPPORTING STUDENTS

2026 SPONSORSHIP OPPORTUNITIES

Join us in Supporting Students for the 2026-2027 academic year. Students are successful when they have the tools they need to excel. From backpacks to school supplies, to after school programs and student enrichment, CAP OC and our community partners, like you, are here to help.

OUR STORY

For more than 60 years, Community Action Partnership of Orange County (CAP OC) has been a pillar of support for families and individuals facing economic hardship. We tackle poverty at its core by addressing both immediate needs such as food and diaper distributions, and utility assistance, and long-term empowerment through financial literacy, workforce development, and youth programming. Our work is rooted in collaboration, partnering with corporations, nonprofits, and community organizations to drive meaningful change across Orange County.

THIS IS WHERE **POVERTY ENDS.**
