

APPLICATION FOR UTILITY ASSISTANCE AND WEATHERIZATION SERVICES

Community Action Partnership of Orange County (CAPOC), Energy and Environmental Services Department oversees administration of the Home Energy Assistance Program (HEAP), Low Income Weatherization Program (LIWP), and the Department of Energy's Weatherization Assistance Program (DOE WAP). These programs are funded by the United States Department of Health and Human Services, Department of Energy Region IX, and the California Department of Community Services and Development. The programs are designed to assist eligible low-income households to manage and meet their immediate home heating and/or cooling needs. In addition, HEAP provides financial assistance to offset heating and/or cooling costs and helps to improve household energy efficiency.

If you have a disability or need help with this application, you may request assistance from an agency representative and someone will help you.

How do I apply?

- Complete the entire Energy Intake Form CSD 43 and include all required documents.
 - Print clearly utilizing an ink pen, do not use a pencil.
 - If you make an error, do not use white-out. Simply draw a line through the error, initial it, and enter the correct information.
 - Remember to sign and date your application.
 - A checklist of all mandatory documents is included to assist you in the application process. Incomplete and unsigned applications will delay the process of your application.
- Give the application to CAPOC in person, by mail, or by fax.

Who gets priority?

In accordance with federal law, our department establishes a priority rating system once we reach a financial budget benchmark. Benefits are calculated based on your household's out-of-pocket energy cost vs. household income and a point system.

How long will it take?

It may take up to 30 days to process your utility assistance application. It is your responsibility to continue to pay and/or make payment arrangements with your utility company until eligibility is determined. We do not guarantee your benefit will be processed and paid before the date the bill is due.

CAPOC will send you a letter to let you know if your household is approved or denied HEAP benefits.
