VIRTUAL & PHYSICAL FOOD DRIVES

Option 1: Virtual Food Drives

Virtual Food Drives are great because they can take place anywhere and anytime, allowing you and your group to conveniently donate online! When you make monetary donations, your dollar stretches further thanks to our bulk purchasing power!

1) You can view our Virtual Food Drive Platform at www.fooddriveonline.org/capoc and share that link to friends, family, and colleagues to start fundraising right away!

2) If you would like your own personalized URL and logo on your Virtual Food Drive page or for questions, please contact Tracey Chhuor at tchhuor@capoc.org
